RULES AND REGULATIONS:

Please note that if any of the following rules or regulations are not met or are deemed to have been violated, your film will be disqualified from the festival.

1. You must be 17 years or older to enter the festival. Any entries received by persons under this age limit will not be reviewed and will be immediately returned, along with this form, to the applicant. Proof of age is requested with this form, and can be either a copy of your driver's license, state identification card, or your legal birth certificate.

2. Each film may not be less than three (3) minutes in length, but can be no longer than sixty (60) minutes in length.

3. Each film is required to have credits somewhere within the film, or a separate list of credits must be submitted with the entrance form. This is so that the judging committee can identify nominees for the various categories at the festival show. You will need to include anyone who worked on your film. These positions can include: Director, Writer, Actors and Actresses (and which parts they played), Cinematographer, Editor, etc.

4. Each applicant is allowed no more than three (3) submissions, and a SEPARATE FORM must accompany each entry.

5. The film which the applicant submits must be his/her own original work. If it is uncovered that the work is not original, the film will be disqualified from the festival.
6. The final date for submitting an application will be Saturday, April 25th at 3pm to Mary Osborne in the CSM library at the La Plata campus. Applications and films received after this date will not be reviewed.

7. If you enter a film into the festival and wish to vote for the films named as finalists, you are not permitted to vote for the category in which your film was entered.

8. The entry form asks for a suggested rating. Upon viewing your film, the officers of the film club reserve the right to change the rating. If the officers decide that the rating is higher than PG-13, your film will be disqualified.

9. Each applicant is responsible for securing the appropriate copyright protection for their film and script, should the applicant deem that it is necessary. The CSM Film Club does not accept responsibility for any stolen ideas/plots/story lines etc, that may have been lifted from your film.

10. Upon submitting your film, the film club reserves the right to use your film in part, or in its entirety, for whatever is necessary, including, but not limited to: Film Festival trailers, film exhibition, distribution to judges, etc.

11. Everyone is required to go through the same application process, and members, officers, or anyone else remotely affiliated with the CSM Film Club in any way, shape, or form is not exempt from this process.
